I can go, you can go, we can both go. It's at the same time as the SA team meeting so let me know.

Folks, we need to meet in the very near term in order to discuss informational needs and a path forward. If you can't make this meeting, please let Jacqueline, Gillian or me know – we can bring you up to speed afterward. Note that the RA has scheduled a separate meeting for next week and we hope to have a course of action mapped out in advance (also, we will be discussing this with OECA staff shortly after this proposed meeting)
